GENERAL INFORMATION

All renderings of exteriors are artist's concept and may vary slightly. The Builder reserves the right to substitute materials of equal or better value should supply dictate.

Purchaser shall have the right to select floor coverings, tile, cabinets and countertops, bathroom fixtures, and purchase upgrades from the Builder's samples subject to their timely availability from the Builder's normal supplier and provided that the same have not already been ordered for this house. Variations from Builder's samples may occur in kitchen and vanity cabinets, floor, wall finishes, and other finishing materials due to the normal production process. Steps where applicable, may vary at any exterior or interior entranceway due to grading variance.

Corner lots and priority lots may be subject to special treatment which may require window changes, architectural features - bump outs, gables and minor interior modifications to balance and improve the elevations exposed pedestrian view or to the street, as per guidelines. The Purchaser accepts these changes as necessary.

When Purchaser is buying a house already under construction, Purchaser acknowledges that there may be deviations from the floor plan, elevation or layout of this model and Purchaser agrees to accept such changes as constructed. The house erected or to be erected on the above lot shall contain the features listed above. The floor plan shall be that plan illustrated in the Builder's latest sales brochure for the model type purchased.

The Purchaser acknowledges that the Builder's model homes have been decorated for public display purposes and may contain certain features, upgrade finishes and augmented services which may not be included in the basic model type. Most additional features on display in the model homes are available as extras.

The Purchaser is notified due to siting, grading and paving conditions, roof lines may vary due to structural roof framing conditions, and may not be exactly as shown. Stairs are not included off patio when grade is more than 3 risers below patio door. Guard rail is provided. Purchaser is notified that all lots have Architectural Control applied to them and that exterior architectural features may be added or altered at the Builder's discretion to comply with Architectural Control Guidelines.

Kenmore Homes reserves the right to use visual representations of your home, taken both during construction and after occupancy, for the purposes of Public Relations and Advertising and/we hereby consent to the same.

Due to increasing construction costs, we commit orders to our suppliers on the date of the Offer to Purchase. Therefore, in some cases we cannot alter, change or add to the specifications, details or field notes. In order for any change to be implemented, all requests after the offer becomes firm, must be in writing and accepted by the builder.
