Home-cooked meals in 15 minutes or less

Everyone loves good homemade meals, but most don't have time to prepare them. Take the stress out of meal preparation with a flip of a switch — whether you're cooking for one or five, slow cookers are a great way to save time and deliver delicious comfort food.

With the right recipe, slow cookers do most of the work for you and require minimal clean up and prep time. Opt for one where the raw meat can be placed directly into the slow cooker. For the best flavour, choose a high-quality pork that has been humanely raised and without antibiotics, like duBreton.

This boneless pork shoulder roast slow cooker recipe can be prepped in less than 15 minutes and will have you coming home to a delightful meal at the end of the day. Try serving with rice and broccoli for a full meal, or on a bun for a quick and easy pulled pork sandwich.
