

WINTER MAINTENANCE CHECKLIST

Are you prepared for the winter season? Don't worry, we've got you covered! Our free winter maintenance checklist will guide you through your major To-Dos!

1. ☐ Check your heating system to ensure it's working properly
2. ☐ Check fireplace and chimney for any cracks
3. ☐ Check/change batteries in smoke and carbon monoxide detectors
4. ☐ Prevent water pipes from freezing and insulate pipes near windows
5. ☐ Test your sump pump to make sure it is working properly
6. ☐ Pack a survival kit for storms (flashlight, first-aid, non-perishable food)
7. ☐ Protect entryways by placing mats inside and outside the door
8. ☐ Check for air leaks around doors and windows
9. ☐ Make sure the roof and attic are well insulated and ventilated to prevent any potential ice damming
10. ☐ Check your roof for any broken shingles or flashing
11. ☐ Inspect the insulation throughout your home
12. ☐ For efficient circulation, reverse your ceiling fans to push the heat down (clockwise)
13. ☐ Protect your air conditioner with a cover against any snow load
14. ☐ Trim any nearby tree limbs from your home
15. ☐ Clear your gutters from any debris
16. ☐ Repair steps and check any outside handrails
17. ☐ Check your snowblower so you know it is working properly and have shovels readily accessible
18. ☐ Inspect all outdoor lighting and make sure any staircase is well lit
19. ☐ Protect or store any patio furniture
20. ☐ Store your seasonal tools
21. ☐ Stock up on road salt/sand
