### **ATTENTION SHOWING AGENTS AND BUYERS**

Due to the severity of the Covid-19 Virus and the safety of all of us, we are asking you to take the same health and safety measures as we do for you.

It is mandatory that you utilize the hand sanitizer we have left at the front door for you in order to see this home. Please do not touch anything in the house when you are going through. We all need to be very careful when visiting someone else's home.

If you or anyone in your household is feeling sick, travelled outside of Ontario recently, has or has had a sore throat, cough or flu or flu-like symptoms within the past 2 weeks, please do not enter the house and call our office to reschedule your appointment.
